## Presidents Message

Thanks to Sharon, Bruce, Tom, and Sue who hosted the May rally. The weather may not have cooperated but it was a good rally with the old fashion cookout over the campfire. I know it is a lot of work to plan a meal at the campground but it creates a better atmosphere for visiting and many laughs than just going to a restaurant. So, thank you for all your hard work in putting together two campground meals.

What a way to start the season!!!!!!!

This year we have two positions that are up for elections – VP/Wagonmaster and Secretary. I will be looking for volunteers for a nomination committee. Please let me know if you want to help on the nomination committee.

lemons, make

Looking forward to seeing everyone at the June Rally in St. Cloud – it should be fun!!!!!!!

## From the Editor:

Thank you to the members at the rally who volunteered for the committee for changes to the website. I think it was a very productive meeting with some good suggestions. I am working on some changes from the meeting and will communicate when the changes are complete. Keep the good ideas coming.

## May Rally News – Rain, Rain, Rain Go Away

9 rigs and a total of 17 people attended the rally at Shades of Sherwood Campground in Zumbrota, Mn.

On Thursday we had supper at JB's Bar and Grill in Wannamingo. The food was good but the night was very windy and cold.

On Friday A.M. both the men and the women cancelled the golfing outings due to cold, damp, windy weather. The men were invited to join the women for a luncheon at the Covered Bridge Restaurant in Zumbrota. The food and the visiting were wonderful. The cold did not stop us from enjoying roasting wieners over the campfire and the other pot-luck food. After the main meal, a business meeting was held around the campfire. Then we made s-mores and Tonka pies for dessert.

Saturday the weather turned wet!!! It rained and rained and rained, and the cold continued. We ate brunch at the Area 57 Coffee Café, which served great fresh entrees. Most of the day was spent rig hopping since it was too cold to even get together in the shelter. That evening hamburgers were served by the hosts and a cake was served to celebrate 3 birthdays and 2 anniversaries of those in attendance. Because of the cold and continued rain, 3 rigs left on Saturday.

Sunday A.M. breakfast rolls and coffee were served in the shelter. Due to all the rain and standing water, the remaining people started leaving early – one rig at a time. Bob and Sue Nelson were unable to drive their rig out of the water until one of the campsite workers used a bobcat to pull them out while the rest of us cheered!

Although we enjoyed a lot of visiting and catching up on winter stories, we are hoping for improved weather for the next rally.

Respectively submitted by Sharon Swanson
